Show and Tell

12/9-12/13– *Something that begins with the letter J or a nativity decoration.*

Other Important Information

- Winter is coming! If there is a snowy day we would like to take the children out to play (temperatures must be mid-upper 20s or higher with windchill factored in). To make this process go smoother and help us make the most of the playground time we have, please help your child learn how to put on and take off their snow gear independently (it is even more helpful if they arrive in snow gear on days there is accumulation) and please label belongings with your child's name. Send a separate bag, such as a shopping bag, to hold your child's snow gear and keep it separated from others. They've done very well so far with this process!
