**Book of the Week** [Goldilocks & the 3 Bears](#)  
Ask your student:

- Why did Goldilocks like baby bear's bed best?
- Which bear talks first?
- Would you like to be Goldilocks or the bears?
- Ask them to look for different sizes (bigger, smaller)

**Name Work**  
This week students worked on identifying the letters in their name.  
Hang up one of their name practice sheets in a place they see it often.

**Reminders**

- Please send sweatshirts or jackets for outside play.
