Snowmen

Life Skills - I can set a good example.
In class we have talked about doing our best,
helping without expecting a reward, being
responsible and doing what is expected, and
being kind and friendly.
The students are looking now for classmates
doing the right thing. This has helped all
students become a bit more independent and
more confident.

Learning at Home

Get outside! Bundle up and take a walk,
hike, bike ride, shovel snow, or sled.
Children grow by moving their whole
body and by taking risks.
